## Win/Loss Request

This Casino Win/Loss Statement (this "Statement") is provided to you as a courtesy by Hard Rock Hotel Bristol and is inclusive of your net win/loss for slot machine activity and table games play generated through the player tracking system for calendar year.

The use of a loyalty card is voluntary for both table games and gaming machines. A loyalty card is not accepted at all gaming machines. You may have had transactions for which the loyalty card was not used. Accordingly, Hard Rock Bristol disclaims any obligation to certify that this Statement represents all your gaming transactions, and you are advised that it is an estimate based only on your tracked play.

Net win/loss for slot machine activity includes free play. Hard Rock Bristol makes no representation or warranty, express or implied, of the accuracy of the information or its effectiveness as proof of wins and/or losses. This Statement is not an "official" record, and the tracking system used to estimate the result of your gaming activities is dependent upon using your loyalty card. Hard Rock Bristol suggests that you consult with a qualified tax professional or seek additional information from the Internal Revenue Service (IRS) about preparation of your income tax return.
