## W2G Tax Document Request

The use of the Unity by Hard Rock card is voluntary for both table games and slot machines. A Unity by Hard Rock card is not accepted at all slot machines. Any transactions for which the Unity by Hard Rock card was not used while gaming are not included in the totals. Accordingly, the Seminole Gaming and Hard Rock casinos listed on tax documents disclaim any obligation to certify that this statement represents all gaming transactions and have been advised that it is based only on tracked play.
